COMPANY SNAPSHOT

Professional Commercial Cleaning Company with over 20 years of experience. All employees are required to have a background check and are professionally trained. Company uses professional and up to date equipment. G. Patterson Cleaning Company uses hospital grade disinfect, color coded microfiber cloths that pick up 99% of soil, prevent germs from spreading and are environmentally friendly. A flat mop system is used to remove all soil off the floors. G. Patterson Cleaning use a HEPA backpack vacuum to catch particles to reduce dust, helps improve indoor air quality and is quieter than most vacuums. An Electrostatic sprayer that eliminates 99.9% of pathogens like Covid-19.

QUALITY STATEMENT

G. Patterson Cleaning Company is committed to exceeding our customers' expectations and ensuring their complete satisfaction.
